Mrs. Thompson,
Thanks for your email and your phone calls about the encampment.
I need you or a member of your family to send me a current photo of the homeless encampment that is out on the street or median now near 5019 W. Venice. I am asking because LA Sanitation requires this to process the encampment request.

Thank you in advance.
Please stay home and stay safe,

Liz

When are you going to do something about a law to protect the homeowner's from the homeless encampment in residential area's. It is not a park. It is a residential neighborhood and they have brought down my home value and my family's health is at risk. This is not fair to us. The street smells and it is unsafe.
the city is not helping to make them go to a shelter that is best for their health as well ours during this coronavirus epidemic.
